THE BUSTANI CLUB

Message from the Chairman

It is indeed a great honour to have our expanded Kileleni Conference Centre officially opened by H.E. President Mwai Kibaki CGH, MP.

Rasik C. Kantaria

Every year since 2001, we have continued with the upgrading and refurbishment of Leisure Lodge Resort which has seen it become a truly exceptional and ultimate resort.

The Board is extremely pleased with the fabulous success of the Kileleni Conference Centre, which offers comprehensive conference

packages tailored to meet each and every requirement.

Conferencing has become the fastest growing business for Hotels. Kileleni conference centre will next year be home to the largest conference ever in the South Coast, the 2013 Rotary Convention & Conference (23rd. to 28th. April 2013) with a record 2000 delegates.

As we celebrate this occasion, we must not lose sight of the people who have contributed the most to our success. These are our loyal and valued local residents, conference delegates, numerous weddings, team building retreat participants and many other valued guests who have discovered our unique unrivalled facilities and discerning hospitality.

My fellow Board Members who are Bimal Kantaria, Virendra Ponda,

Ashwin Patel and Steve Mainda will continue to ensure the Leisure Lodge management team and staff are fully supported as we commit to invest and upgrade our facilities and take Leisure Lodge to the next level.

I want to express my profound gratitude to all our guests, partners, suppliers and everyone who has supported us over the years and gave the Board the encouragement to continually invest and refurbish our Resort.

We look forward to the immense pleasure of welcoming you to our unique Resort to experience our wonderful and truly warm hospitality.

Leisure Lodge... Truly Leisure... Truly Paradise!
